

SINGLE TOUCH PAYROLL

WHAT DOES THAT MEAN FOR EMPLOYEES?

- You will need to set up a mygov account with the ATO
<https://my.gov.au>
- you will see your year-to-date tax and super information
in myGov
- each time your employer pays you, your year-to-date
tax and super information will be updated in myGov
- your payment summary information will be available in
myGov at the end of the financial year
 - you can check if your super has been paid
- if you have other employers who do not report
through STP they will need to give you a payment
summary at the end of the financial year

Please note that Single Touch Payroll will be compulsory for
all employers from 1st July 2019.
